Section 10. Income Tax. The Board at its first meeting shall adopt a resolution to levy an income tax at a rate of 1.0% in the District in accordance with Section 715.74 of the Revised Code. The income tax shall go into effect immediately upon adoption of that resolution. The rate of the income tax shall change from time to time so that it is equal to the rate of the municipal income tax levied by the Village. The revenues of that income tax shall be used for the purposes of the District and the contracting parties pursuant to this Contract.

The Board shall adopt, by resolution, except for the provisions of the Village's income tax legislation regarding the allocation of funds raised by the levy of the income tax, all of the provisions of the Village's income tax legislation, as it may be amended from time to time, as applicable to the District income tax. The income tax levied by the Board pursuant to this Contract and Section 715.74 of the Revised Code shall apply in the entire District throughout the term of this Contract, notwithstanding that all or a portion of the District becomes subject to annexation, merger or incorporation.
